

# C&C DRIVING SCHOOL

## Road Test vehicle inspection check sheet

**\*\*State of Michigan Law requires C&C Driving School to perform a safety inspection prior to administering the road test\*\***

Safety inspection includes the following equipment:

- Brakes
- Brake lights
  - Including the Center-mounted rear brake light
- Doors
  - The driver and passenger doors must work from the inside and outside. Doors that cannot be opened are safety hazards.
- Fuel level
- Headlights
- Heater/Defroster
- Horn
- Muffler
- Rearview mirror and outside left mirror
- Safety belts for all occupants
- Seats for all occupants
- Speedometer
- Taillights
- Tires (no radial showing, tread present)
- Turn signals (front and rear)
- Windshield (no cracks that obstruct a driver's view)
- Windshield wipers and washers

**\*\*C&C Driving School reserves the right to not administer a road test due to a vehicle inspection failure. Vehicles which fail this inspection are subject to a \$25.00 fee\*\***
